Party Recommendations

Parties can **ONLY** be booked with the party coordinator by visiting or telephoning the centre.

NOTE: individual service is **NOT** provided in lounge area; staff will, however, assist in preparation for self-service.

We recommend your guests arrive 15 minutes prior to the starting time to enable us to fit the children with shoes so that they start at the scheduled time. If you are late, your bowling time cannot be extended. Allow 2 hours and 15 minutes for the party – arrive 15 minutes early, 1 hour of bowling and 1 hour to eat and celebrate. Please advise parents to pick up children promptly at the completion of the party.

There is a minimum of 8 children required and a maximum of 16 children allowed per party. Assign the children to groups that would like to bowl together in advance of the party. Assign 4 to 5 children per lane. If you exceed the maximum number of children, you will be required to assist those children on the extra lanes and the extra lanes will not be set up with the bumper guards. (It is suggested that the older children of the group use the extra lanes).

The number of children must be confirmed **three days** prior to the scheduled date of the party. This will enable us to reserve the proper number of lanes, to prepare a place setting for each child and prepare the appropriate number of loot bags. You will be charged based on the number of children you confirm, unless the number of children exceeds the amount booked.

A deposit is required (minimum \$80.00) which must be given at the time of booking the party.

Deposits will **NOT** be refunded; a credit note will be issued instead, if notice of cancellation is given at **least 10 days prior** to the party.

Bookings are not final until the host/hostess of the party signs a written contract and fully understands the center's "**Term and Conditions**".

Please **DO NOT** let the children wander away from your party; assist our staff in keeping an eye on all children.

Please **DO NOT** let anyone walk down the bowling lane at any time. Once past the foul line (the black line at the beginning of the lane), the lanes are very slippery and can be dangerous. If a ball gets stuck, please ask for assistance. **DO NOT** retrieve any balls yourself.

ABSOLUTELY NO OUTSIDE FOOD OR DRINK IS PERMITTED
(birthday cake excepted, as indicated above)
